## Serge Suits For Men!

The case is this: If a man has one Summer Suit, it ought to be a Serge Suit. If he has two or more, he ought to have a Serge Suit among them. For his comfort for one thing, for his looks for another and for the durability and service he'll get out of the Suit for a third. It might seem as though we were trying to make the Serge Suit out a paragon of all the virtues. It is, really—at least—the sort of Serge Suits we sell. The Suits this season have lapels, half fitting backs and broad shoulders. They look custom made all the way through. \$7.50, \$10.00, \$12.00 to \$20.00. We're working for your trade and good will.
